

## **Finding God – Jewish Theology class**

### **Taught by Rabbi Emily Meyer**

One of Judaism's greatest gifts is the legacy of wrestling with God. In these five sessions, we will be exploring Jewish theology. We will unpack the many answers to questions of: "Who is God?"; "Is there more than one way to perceive God?"; "What does God want from us?"; "How can we partner with God?"

We will be using the book **Finding God, Selected Responses Revised Edition** by Rifat Sonsino and Daniel Syme. The book can be ordered from Amazon. If you are ordering from Amazon, make sure that you order from Amazon Smile and donate to Community Synagogue of South King County.

**Dates:        November 7, 14, 28**

**December 5, 12**

**Time:         7-8:30 P.M.**

**Cost:         \$60**
